

The Funds in the Accounts You Have with Us are Federally Insured for \$250,000 and More, and Are Backed by the Full Faith and Credit of the United States Government.

As a member of our credit union the funds in the accounts you have with us are federally insured for at least \$250,000, and *are backed by the full faith and credit of the United States Government*. Should you need more coverage we can help you *organize the accounts you have to obtain millions* of dollars in federal government account insurance coverage for the funds held in those accounts with us.

Our credit union has built a sound capital structure through careful lending and investment practices that protect your savings and deposits. Additionally, *we provide you with as much federal government account insurance coverage as any financial institution in the United States*.

For your convenience, we have provided you with ten (10) short summaries that explain the key ways we can assist you in organizing the accounts you have with us to increase the federal account insurance coverage beyond the \$250,000 minimum. Should you have any questions about the federal account insurance coverage provided by the *National Credit Union Share Insurance Fund (NCUSIF)*, please visit or call us anytime we are open for business and we will be happy to assist you with all your account insurance coverage needs. You can also contact the National Credit Union Administration (NCUA) at 1-800-755-1030 for more information about the NCUSIF (see "About the NCUA and NCUSIF" below). Thank you again for being a member of our credit union. We greatly appreciate it!

Federal Account Insurance Coverage Summaries

The ten federal account insurance coverage summaries that follow provide you with an overview of the key ways we can assist you in organizing the accounts you have with us to increase your federal account insurance coverage at our credit union. The coverage addressed in each summary is provided by the NCUSIF *separately from, and in addition to, all the other summaries explained in this piece*. Therefore, these summaries provide you with a number of ways we can help you maximize the amount of federal account insurance coverage you have with us. Again, please contact us (or the NCUA) should you have any questions about the specifics of any of these federal account insurance coverages.

About the NCUA and NCUSIF

Your savings and deposits with us are insured by the National Credit Union Share Insurance Fund (NCUSIF), which is backed by the full faith and credit of the United States Government. Established by Congress to insure member share accounts at federally insured credit unions, the NCUSIF is managed by the National Credit Union Administration (NCUA), a federal government agency and our federal regulator. *This federal government insurance fund for credit unions provides the same coverage as the FDIC's insurance fund for banks*. For more information about the NCUSIF and the NCUA, please visit or call us during business hours, or the NCUA at **1-800-755-1030** or **www.ncua.gov**.
