HarborLight Credit Union

We exist to improve the financial well-being of our members.

Member Benefits

MEMBER BENEFITS

At HarborLight Credit Union, we provide more than the basic checking, savings, and loans. We make sure every product and service a member receives from us will ensure they are on the right track to financial wellness.

Loans That Work for You

We have the same loan products as every other credit union and bank. The difference is that we work with our members to help determine which product is the right solution for them.

Free Checking and Savings

Through our partnership with Kasasa, we are able to offer FREE checking, FREE ATMs, FREE savings accounts, and rewards at the end of each month.

Our Kasasa Saver and checking accounts are FREE! You can earn rewards and FREE ATM transactions each month when you qualify. Qualification is easy with 12 debit card transactions, online banking and e-statements.

Club Accounts

With no minimum deposit amount, members can start saving and creating their vacation and holiday budgets ahead of time.

Personal Finance Management

Did you know we have a licensed Financial Advisor? With HarborLight Retirement and Investment Services, Jim Bird can help you with investments, create a livable budget, reach retirement goals and much more.

Financial Education

We have a Financial Education Coordinator on staff solely for the purpose of helping our youth learn the ins and outs of financial literacy and get on the right path early. She hosts student run credit unions and presentations in our schools and hosts many events for adults and youth.

Digital Banking

With our website, online and mobile banking platforms, you can take care of your banking needs without even stepping foot in our lobbies! Here are just a few actions you can complete on these platforms:

- Open an account
- Apply for a loan
- Deposit checks, pay bills, and make transfers
- Reorder checks
- Check your credit score and credit report.
- Turn your debit and credit cards on and off
- Track your spending

COMMUNITY FOCUSED

Did you know that we support an average of 15 different charities every year? Giving back to our community is a large part of who we are. We appreciate all of the support our members have shown to help us in our philanthropic efforts.

Since offering KASASA, we have paid out over \$1M in rewards. You want in? Join today!
